**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a strong supporter of broadband competition. Huge companies like AT&T have failed miserably in providing acceptable service to me as well as to my business. AT&T is my least favorite company in the world for a reason. I ask that you support local competitive internet providers like Sonic.net. They hold the companies that have gotten too big to adequately service their customers accountable.
